MANAGER MUSINGS

by Lee Morris

I saw this at a small restaurant that my wife and I frequent:

If you would like to know how it feels to be a restaurant worker during the Covid-19 Pandemic- Remember when the Titanic was sinking, and the band continued to play? Well, I guess we're the band!

As Florida (and Tri-Par) slowly re-open for business, there will be many changes from the way it "used to be". I know you are probably tired of hearing the words- "the NEW Normal" but that is going to happen. Masks will probably be required when you go out anywhere! I'll bet you wash your hands way more than you used to! You now have a bottle of hand sanitizer in the car. You think twice about picking something up. These are just some of the "NEW Normal". I'm sure each of you have your own concerns.

In the meantime, Tri-Par continues to chug along...we passed our 2020-21 budget that starts October 1, 2020. We are working on the pool refurbishment specifications and engineering requirements along with the shade structure so that we are ready to start work on October 1. We have done some updating in the clubhouse with the stage wall getting a major facelift! New paint can't be too far behind, can it? We are upgrading our sound and camera equipment so that when we broadcast Board Meetings out to the community, we can be seen and heard. Lots of good things happened while we were in stay at home mode!

Residents who are away from Tri-Par in the off-season will be able to dial in to Board Meetings and Workshops to listen in on the latest community matters. If you have something you would like to say, send it in an email to me, I will be happy to read it into the record.

Stay Well- Stay Healthy-Practice your NEW Normal!

Regards,

Lee

LOOKED UNDER YOUR MOBILE HOME LATELY?

Missing or torn insulation and vapor barrier can allow moisture, mold and mildew to build up, and provide access to insects and rodents into your home!

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

MEET YOUR NEIGHBOR

by Vicki Cooper

Meet Dawn and Mike Jablonski

Hailing from the great state of Michigan, Mike and Dawn Jablonski have been visiting, vacationing, or snow birding at Tri-Par since 1992. You may not recognize Mike's Russian last name, but you might recognize Mike's in-laws, Dawn's parents. Harry and Joan Masinic rented a

home on Tri-Par Drive for two years before purchasing that same home in 1992. When both Harry and Joan passed away, their daughters decided to keep the home on Tri-Par Drive. The sisters take turns visiting and taking care of the home. Mike and Dawn love being at Tri-Par and being outside, doing all the fun things that snowbirds enjoy doing.

Mike and Dawn were introduced by a friend at work, working for the same company but in different buildings. Their expertise was in the technical aspect of

General Motors. Being a principle research analyst, Dawn completed High School at Warren High in Detroit, attended Michigan State, and received her MBA from Oakland. Mike meanwhile completed his education at Wayne State University in Detroit back in the day when there was no computer college courses. He had to learn on the job and self-educate. After 40 years of following the GM company through several changes and ending up in Hewlett-Packard, both retired from the Troy, Michigan company.

In addition to the Tri-Par home, Mike and Dawn enjoy the summer months in Indian River, Michigan with property and a home on a lake. There they operate a pontoon boat, fish, and entertain family. Dawn likes to garden, which she is able to do at the Michigan home, but not so much at the Tri-Par home since so many of the family have a vested interest. Here at Tri-Par Mike and Dawn use the exercise room and the visit the pool, as well as the beach. They enjoy reading and have tried the pickleball court.

I decided to search Google to see what I could find about the relationship between laughter and the human body. I found an interesting article from the Mayo Clinic titled, Stress Relief from Laughter. It stated that

"A good sense of humor can't cure all ailments, but data is mounting about the positive things laughter can do. A good laugh has great short-term effects. When you start to laugh, it does not just lighten your load mentally, it induces physical changes in your body. Things laughter can do:

- *Laughter enhances your intake of oxygen-rich air, stimulates your heart, lungs, and muscles, and increases the endorphins that are released by your brain.*
- *A rollicking laugh fires up and then cools down your stress response, and it can increase and then decrease your heart rate and blood pressure. The result? A good, relaxed feeling.*
- *Laughter can also stimulate circulation and aid muscle relaxation, both of which can help reduce some of the physical symptoms of stress.*

It is also good for you over the long term. Laughter may:

- *Improve your immune system. Negative thoughts manifest into chemical reactions that can affect your body by bringing more stress into your system and decreasing your immunity. By contrast, positive thoughts can release neuropeptides that help fight stress and potentially more serious illnesses.*
- *Laughter may ease pain by causing the body to produce its own natural painkillers.*
- *Laughter can also make it easier to cope with difficult situations. It also helps you connect with other people.*
- *Many people experience depression, sometimes due to chronic illnesses. Laughter can help lessen your depression and anxiety and may make you feel happier."*

If you feel that you do not have a sense of humor, I assure you that it can be learned. In fact, developing or refining your sense of humor may be easier than you think. I encourage you to put humor on your horizon.

I find that prayer is also a great stress reliever. I believe that the words of Philippians 4:6-7 are extremely helpful:

"Don't fret or worry. Instead of worrying, pray. Let petitions and praises shape your worries into prayers, letting God know your concerns. Before you know it, a sense of God's wholeness, everything coming together for good, will come and settle you down. It's wonderful what happens when Christ displaces worry at the center of your life." Philippians 4:6-7, The Message.

My advice for you is to laugh and pray. Both are important!

FROM THE PASTOR'S PEN

by Michael Neff

Laughter and Prayer Are Important!

Last Sunday evening after watching "The World's Funniest Weather" and laughing vigorously at the funny videos, I realized that I felt more relaxed, peaceful, and calm than I had felt all week. I realized that during the covid-19 pandemic, with the stay at home order and social distancing, I had stopped laughing. I also realized, once again, that laughter is especially important for me and my body. It was quite easy for me during this stressful time to avoid laughing.

OUR TRI-PAR HOME

by Don Hodges

We are happy in our little piece of Tri-Par Paradise,
Where we gather in the Winter, to escape the snow & ice.

We can look at pretty flowers, trees, and grass so lush and green.

While our friends up North are looking at dead sticks through frosted windowpanes.

There is so much to do in Tri-Par, you can't find the time for all.

But we find the time to press on every time we get a call.

Shuffling, horseshoes, pickleball and swimming are just a few things we can do.

Don't forget the dinners, dances, trips and parties and the clubs too.

When you get right down to brass tacks, there is nothing else to say,

Except that we who live in Tri-Par, have a great life every day!

HURRICANE SEASON

WALK AWAY THE POUNDS

by Debbie Yates

Walk Away the Pounds
Exercise Program
Monday-Friday 8:30am

I hope everyone has been doing some kind of activity during the quarantine. If you are like me, you may have gained a few pounds during this inactive quarantine time. It will be great to get together and be motivated to get back in shape. Start date is pending the opening of the Clubhouse. When we are able to resume the program, we will meet at 8:30 - 9:00 AM Monday through Friday. This is an excellent way to exercise indoors and avoid the summer heat. Walk Away the Pounds is an exercise video program produced by Leslie Sansone. Come join your neighbors and get back in shape.

If you are worried about being in a group, we will honor social distance practices and still be able exercise since the Clubhouse is so large. Contact Debbie Yates with any questions at 941 932 2743. I look forward to seeing everyone again soon.

BEND & STRETCH POOL EXERCISE by Lois Wegner

When we are able to resume, classes will be on Tuesday and Thursday, weather permitting, from 10:00 to 10:30 AM.

TRAVEL CLUB & MIX and MINGLE by Debbie Yates

Wow, by this posting the quarantine will be lessening or over. Due to the social distancing in May, the Bradenton, Jiggs Landing Sunset Cruise had to be cancelled. With the uncertainty of being able to gather, no June activities are scheduled.

Activities for late summer and the fall are being worked on by the Travel Club Committee and will be posted later this summer when we are able to get them locked in.

Mark your calendar for December 14th. We will be going on a bus trip with the All Around Tour Bus company from Tri-Par to the Punta Gorda Holiday Light Cruise and Dinner at the Captains Table. Price TBD when quarantine is lifted.

The Tri Par group Norwegian Tampa to Key West/Bahamas Jan. 15-20, 2021 Cruise is still on. Inside, Ocean view and Balcony Cabins are still available. See details in the article on the next page. Contact Debbie Yates for more information or to reserve your spot. Debbie Yates at 941-932-2743. deborah.j.yates@gmail.com.

WELCOME WAGONby Bobbi Miller

The Tri-Par Welcome Wagon would like to welcome all newcomers to Tri-Par Estates for the 2019-2020 season. Our goal is to make new friends and help new residents feel comfortable in their new home!

First-time owners and first-time renters will be called and offered a Welcome Wagon packet stuffed with handy information. We also offer a tour of Tri-Par Estates' impressive facilities.

We are looking for residents who would like to participate and "adopt their street," so to speak, as part of the Welcome Wagon team. You would be notified when there is a new resident on your block to drop off a welcome packet and your calling card so you can answer questions and offer a tour of Tri-Par. This would be a great opportunity for current residents to make new friends and meet your new neighbors.

If you are a new resident and have not been contacted by the Welcome Wagon or if you would like to join the Welcome Wagon team, please call Bobbi Miller at 724-466-0698. Please ensure that the Tri-Par Estates office has your current telephone information so we can reach you.

THANK YOU TO ALL TRI-PAR ESTATES RESIDENTS

Thank you to all residents for your patience and understanding as we navigate these uncertain times.

We will continue to reopen more of our facilities following the recommended framework and plan approved by the Board of Trustees on April 30, 2020.

We look forward to continuing to work together to ensure we follow appropriate guidelines to keep everyone safe while we enjoy the great amenities here at Tri-Par.

If you have any questions, please don't hesitate to call us in the office at 941-355-8747 from 9:00 am to 1:00 pm, Monday through Friday.

KNOW THE RULES

State Laws

Florida Golf Cart Laws

A golf cart may not be operated on public roads or streets by any person under the age of 14. A golf cart may be operated only during the hours between sunrise and sunset, unless the responsible governmental entity has determined that a golf cart may be operated during the hours between sunset and sunrise and the golf cart is equipped with headlights, brake lights, turn signals, and a windshield.

Sarasota County

Contracting/Licensed Contractors

Any new structure or improvements to an existing structure must be performed by a State of Florida or locally-registered Sarasota County contractor. Owner-builders can perform work with the applicable permit. To report suspected unlicensed contracting or activity, please call 941-861-5000 or Crime Stoppers at 941-366-TIPS (8477); you may remain anonymous.

Code Red Warning System

Code Red is a free and secure system that delivers severe weather alerts moments after a warning is issued by the National Weather Service. Messages can be delivered by phone, email, or text message. It also advises of the following emergencies:

- Drinking water contamination,
- Extended utility outages,
- Evacuation notice and route,
- Missing persons,
- Fires, floods, bomb threat, hostage situation, chemical spill or gas leak, and other incidents where rapid and accurate notification is essential for life safety.
- The opt-in weather warning service will automatically notify those registered of tornado, flash flood and severe thunderstorm voice alert warnings just minutes after an alert is issued by the National Weather Service.
- How to Register for Code Red Warning System:
 1. Visit scgov.net and click the Code Red registration link at the bottom of the page under Emergency Services
 2. Enter your first and last name, physical address, city, state, zip code and primary phone numbers.
 3. There are also options for Hearing Impaired and those without computers. For more information, call the Sarasota County Contact Center at 941-861-5000. For those without Internet capabilities, computers are available at the Sarasota Public Library.

Sarasota County – Anonymous Reports

One of our goals is to keep our Park safe and maintain a great quality of life. If you observe suspicious activity, please report what you observe by calling the anonymous tip line, 941-366-TIPS (8477).

Non-Emergency Sheriff's Line

Reports can also be made to the Non-Emergency Sheriff's phone at 941-861-5800.

Sarasota County Code Highlights

- **Junk, Trash and Debris:** Prohibited from being left in the yard and must be disposed of properly. This includes, but is not limited to wood, tires, automobile parts, hazardous waste, abandoned property, unusable or discarded household items, inoperative or discarded machinery or equipment, motor vehicles and trailers, which are inoperative or lack current license tags, solid waste, construction or demolition materials.
- **Unlicensed, Inoperative Vehicles:** All vehicles must be operable and have current license tags or must be stored in a completely enclosed building.
- **Overweight Vehicles:** Parking, servicing repair and storage of trucks, buses, vans, and tractor trailers in excess of 6,000 pounds vehicle empty weight is prohibited in residential or open use districts.
- **Living in Motor Homes or RVs in Residential Areas:** It shall not be used for living, sleeping, housekeeping or business purposes and shall not be hooked to any utilities.
- **Building Permits:** Before the start of any construction or structural repair, check with the County permitting Office (861-6678) to ensure if a permit is required.
- **Household Garbage and Yard Waste:** All waste must be in trash cans, plastic bags or tied bundles, weighing no more than 40 pounds. Put containers out no sooner than 5 pm on the day before pickup (Sunday) and remove them by 10 am the day after (Tuesday). All containers are to be stored inside or rear yards only. You must separate yard waste from solid waste.
- **Household Hazardous Waste:** Except for motor oil and filters, hazardous waste is not collected at the curb. You must bring these types of items to a collection center, neighborhood collection or community collection program for proper disposal.
- **Appliances:** Residents may call Waste Management at 493-4100 to schedule a pick-up for an appliance or an electronic item. Refrigerator and freezer doors must be removed before placing at curb. Request for pick-ups must be made 48 hours prior to your regular collection day. This service is included at no additional cost (item limits may apply).

Call the Sarasota Call Center (all violations) at 941-861-5000 or Code Enforcement at 941-861-6403 to report a violation of these codes.

Recycling

We are all aware of the need to cut down on our trash and the impact it has on our environment. Some activities you can undertake to reduce the impact of the waste you produce:

- *Waste Prevention:* Avoid buying more than you need. Print only documents and emails that must be legally stored in paper form.
- *Waste Reduction:* Avoid products with excessive packaging. Buy loose vegetables instead off pre-packed goods.
- *Reuse:* Repurpose plastic bags. Find creative ways to transform used containers into home storage bins.
- *Recycle:* We are all recycling in our homes, but sometimes find we are attending or running meetings or social events where the building does not have recycling facilities. (Such as our Tri-Par Clubhouse) Club leaders can arrange to have cardboard items, pop cans and steel cans taken home so that these articles can be recycled.

Dogs and Cats

Sarasota County Ordinance Chapter 14 contains the regulations concerning pets and other animals. These regulations contribute to the well-being of the pets in our community and, therefore, to the well-being of us all.

- Each year you must obtain a license certificate and tag for your dog or cat. In order to receive the license, your pet must be vaccinated against rabies by a licensed veterinarian. The official county license may be attached to a collar or harness and must be worn by the dog or cat at all times.
- Your dog or cat may not run at large on any public property or the property of another and must be under the direct control of a responsible person. Direct control always means immediate and continuous physical control of an animal (dog or cat) by means of a fence, leash, cord or chain of sufficient strength to restrain the animal.
- Under no circumstances shall a person improperly tether any animal. It is unlawful to tether an animal outdoors, except when all 10 conditions (listed in Sarasota County Code of Ordinances, Section 14-35) are met. The most important condition is, "The Animal is in visual range of the Owner, and the Owner is located outside with the Animal."
- There have been instances when individuals are frightened by the behavior of our animals. If this

occurs to you or you observe anything listed above, please report the incident to Animal Services at 861-9500.

F.I.S.H. Transportation (Free Medical Transportation)

Free medical transportation (via automobile) for Sarasota residents only. Donations are accepted. Rides available in the Sarasota area only. Transportation is for medical appointments only. MUST call to schedule 48 hours ahead and appointments must be between 9 a.m. and 2:30 p.m. Phone: 941-953-5838

Tri-Par Policies and Procedures

Background Check for New Owners, Renters, or Caregivers and Guests Who Stay More Than 30 Days

Background checks are required for all first-time buyers, renters, or caregivers in Tri-Par Estates. A background check is also required for first-time guests staying more than 30 days. Renters, caregivers, and guests who have left the Park for 12 months or more must reapply for a background check. A per person application form and per person \$50.00 fee must be submitted to the Tri-Par Office a minimum of 30 days prior to the desired occupancy date for processing and the Board's action. The new application form is available at the Office.

Board Approval Is Required Before Moving into Tri-Par

If a renter, buyer, or caregiver moves in without the Board's prior approval, the first action will be to start the process to assess a fine against the owner in accordance with Section 22 of our deed restrictions. Secondly, unapproved renters or owners will be required to vacate the property and leave the park. If they refuse and it becomes necessary for legal action to remove the unapproved occupant(s), the Board of Trustees shall be entitled to recover all costs, including, but not limited to, reasonable attorneys' fees (Section 21 of Deed Restrictions) from the property owner.

Use of Tri-Par Common Facilities

All visitors under 18 years of age must be accompanied by a parent or adult when using Tri-Par Facilities. No one under 18 is permitted in the Spa or in the Exercise Room. Most of us noticed more guests this year than ever before. It is important that we ensure that our guests are made aware of the rules of the Park.

Speed Limit in Tri-Par

The speed limit throughout our Park is 20 MPH. We have many walkers, bikers, and people on their golf carts every day. For the safety of all our residents, please do your part in observing the speed limit. When you have guests, let them know we would very much appreciate their maintaining the 20 MPH speed limit within the Park.

LOOKED UNDER YOUR MOBILE HOME LATELY?

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.
