

RE: Tri-Par Estates Golf Cart Regulations

---

In the current legislative session, Fla. Stat. §316.212 was amended to give greater control over golf cart regulation. Additionally, people driving golf carts under the age of 18 must have a valid learner's permit or a valid driver's license. Drivers over the age of 18 must have a valid photo ID. The changes will go into effect on October 1, 2023.
